INVITATION

We extend a cordial invitation to admirers of the breed to be present at this sale, at which we are offering a quality lot of young bulls and females.

It has been our aim to produce Scotch Shorthorns of the short legged, low set beefy type that will in turn produce market animals of choice quality and of suitable finish that at any age, whether it be baby beef, short or long yearlings or aged animals, will give maximum weight for the age and will command top market prices.

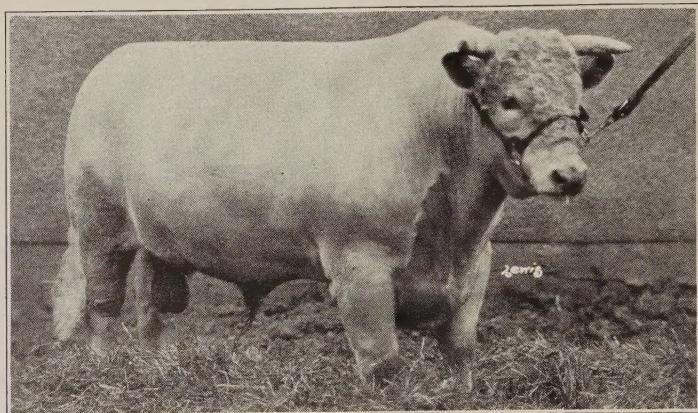

We are keenly interested in having Max Monarch type well distributed among the breeders and farmers of the country and are just as anxious to have them in the hands of good farmers as well as breeders. Both will be welcome at the sale and we believe that either can fill their requirements at this sale in a manner that will be highly satisfactory to them.

All are desirable, richly bred and every bull and heifer in the sale is sired by Max Monarch. Every lot in the sale was bred and raised on the farm and most of the cows in the sale were sired by our former herd bull, Villager's Casket.

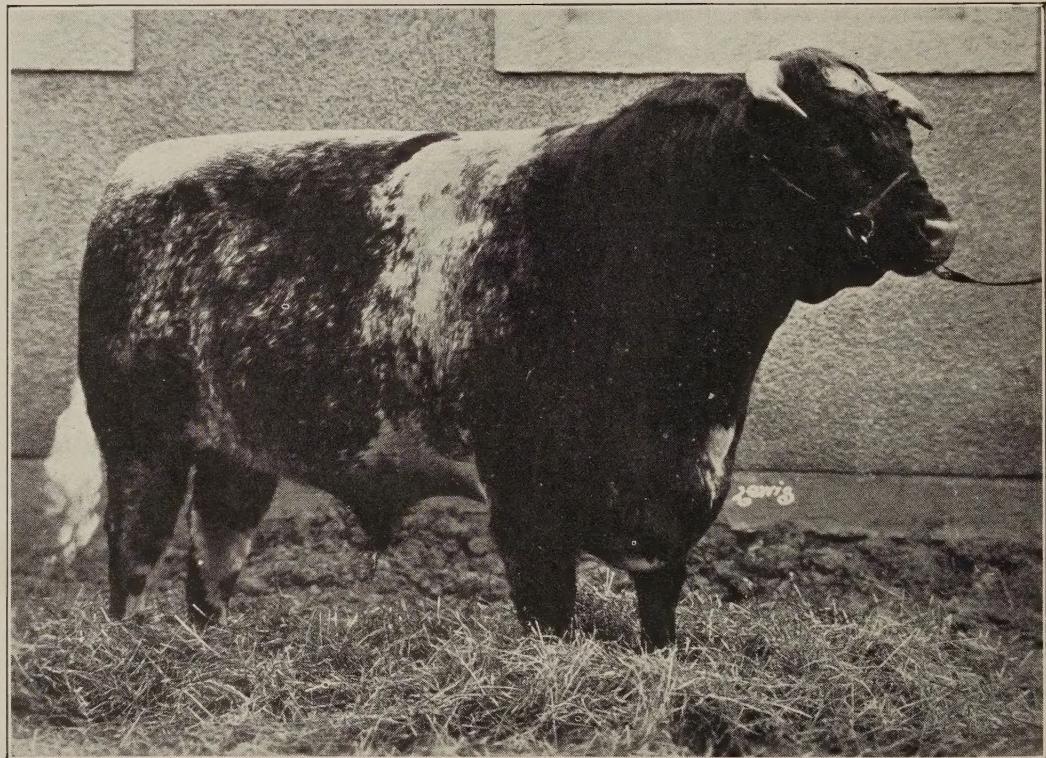

We are well pleased with Max Monarch and his calves and we want you to see them for we believe that we are justified in our claim that he is a wonderful breeding bull.

LOCATION

Villisca, Iowa, is located on the main line of the Burlington railroad, also on the St. Joseph branch, and on Federal road No. 71 and on the junction of the Blue Grass of Federal highway No. 34. Good connections from all points.

GROUP BULLS IN SALE

The Cows and Heifers

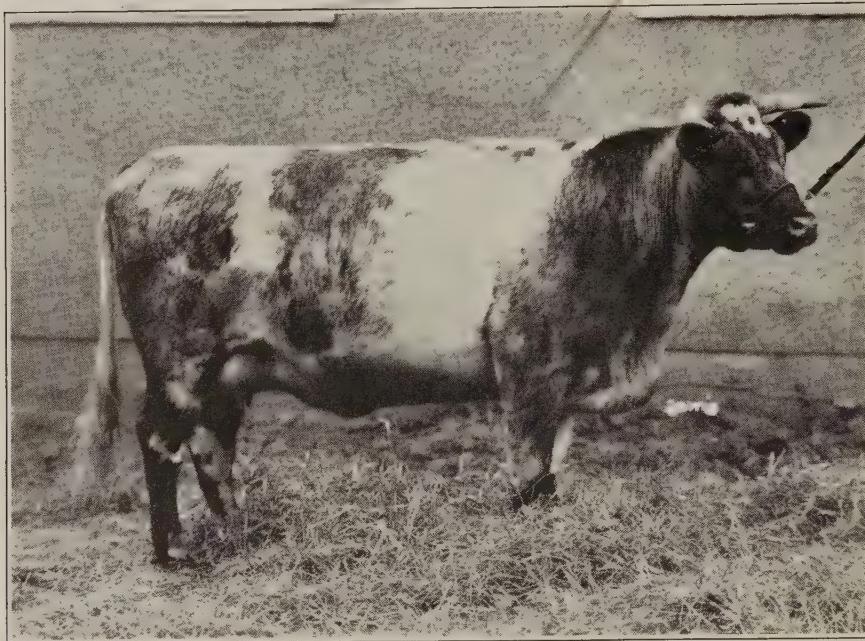

We are putting in this sale a lot of young cows and heifers.

All are young and good types, well bred and reliable in every way.

Many of them have calves at foot by Max Monarch and all of the heifers are sired by him. The cows are nearly all sired by our former herd bulls, Villager's Casket and Imp. Arngask Master.

A few of the two-year-old heifers are bred to Max Marnot, the good dark red roan bull at the head of the Geo. Hoffman herd, at Iliff, Colo. We bred and raised this bull and used him in the herd some before selling him to Mr. Hoffman. We heartily recommend this lot of females to the most critical buyer.

Every female in this sale was bred and raised on the farm.
